Ministry Covenant

Believing that God has called me to serve students in this ministry:

1. My first priority in teaching, supervising, or leading students is to seek their welfare spiritually, physically, socially, and educationally. I will pray for the students regularly and let them know I care about them.
2. I will do all I can to earn and keep the trust of the students. I will try to protect individuals from all forms of abuse, and to know where they are at all times when they are in my care.
3. If I wish to speak to a student alone, it will be within the sight and sound of other people.
4. I will set up agreed upon guidelines for acceptable behavior and expect the students to act according to the guidelines. If a student consistently breaks them, I will seek help from the teacher, coordinator, school administrators, and others to assist me in responding to this problem.
5. I will adequately lead and teach with appropriate and adequate supervision. Other people may be asked to help provide supervision.
6. I will keep relations between students and myself appropriate.
